HOLIDAYS HOMEWORK (2017-18)

"That time of year's come 'round again,

So we wish you all the best.

At this special time of year:

May your holidays be a delight,

Filled with happiness and cheer".

Dear Parents,

Summers are here again. It's a time to get away from the sweltering heat and the dreary weather. So while you enjoy your Summer Break in the cool environs of your home, we have chosen some holiday tasks that will help you not only understand and revise the concepts done in the class but will also help you be creative and imaginative.

Our endeavour, dear parents is to ensure the kids work on their own and not get it outsourced from elsewhere. We would appreciate if you encourage the kids to come up with innovative ideas presented neatly and beautifully.

Have a great summer break!

Here are a few tips to make the vacation a fruitful time for your child:

- Encourage your child to take up yoga or any other form of activity during the vacation.
- Involve children in household chores.
- Help your child keep a record of places visited, special days with the photograph in a scrap book.
- Take nature walks with your child as and when you can.
